

## THE BRONZE HOARD OF SÎNGEORGIU DE MUREȘ (THE MUREȘ DISTRICT)

### SUMMARY

The author publishes a hoard composed of 6 bronze fighting axes with prolonged nape, accidentally discovered at Sîngeorgiu de Mureș in the „Bercul Mic“ point, in 1984.

The axes are dated, on the ground of the typological analysis, in the middle and late stages of the Bronze Age (in the XVI—XIII<sup>th</sup> centuries B.C.).
