

**SOME NOTES ON PETRU DOBRA,  
ROUMANIAN NOBLEMAN FROM ZLATNA (1690—1757)**

SUMMARY

Starting from the actual stage of the historiography, the author gives some informations about the Roumanian nobleman Petru Dobra, native of Zlatna.

By his life and activity, Petru Dobra illustrated the secular intelligentsia of the Roumanian nation in Transylvania during the Enlightenment century. Close assistant of Inochentie Micu-Klein, Petru Dobra had become the head manager of the fiscal cases in Transylvania, in the context of the centralizing policy of the Habsbourg state. Meanwhile, he translated into Latin *Indreptarea Legii*, Tîrgovişte 1652, being aware of the political and cultural demands of his time.
