

**COINS EMITED BY DYRRHACHIUM - IN THE COLLECTION  
OF THE HISTORY MUSEUM OF AIUD**

(SUMMARY)

The study contains two parts: the first is a presentation of the Greek - Macedonian coins pointed out in the old inventories of the museum: the second part contains the catalogue of the coins emitted in Dyrrhachium - Illyria (11 silver coins, one copper coin) in the present keeping of the museum.

The two plates (I, II) abide the order numbers of the catalogue.
