

**THE HISTORICAL MUSEUM OF AIUD
IN DOCUMENTARY TESTIMONIES**

(I)

(SUMMARY)

This study represents a short look on the main stages of the collections (archaeology, history, numismatics, ethnography) from the foundation of the museum until our days, including two centuries (from 1796 to 1996).

It is for a more truthful achievement why we used unknown documents and sources, as well as some less or never used ones (ex. The Year book of Bethlen College of this, we think, we succeeded in stage to the museum of our days.
