

**THE HISTORICAL MUSEUM OF AIUD IN DOCUMENTARY AND BIBLIOGRAPHICAL (III)  
TESTIMONIES THE SETTING UP AND THE DEVELOPMENT  
OF THE ETNOGRAPHICAL COLLECTION**

(SUMMARY)

Through some local bibliographical sources and some central one (from Budapest), it is related the organisation and the development of the etnographical collection of the museum between 1904-1932.

After 1951 till now one must apeal to the two collection inventory (one from 1956 written in hungarish and the other from 1958 (to 1985).

The main purpose of the article is to inform the specialists about this part of the museum patrimony.

The figures represent title files of the publications used in the material (no 1-3) and the title page togates with last page of the inventory written in hungarish (no 4 a. b).
